**This booklet will be distributed to all festival attendees on

The Clear Lake Greek festival program reaches about 3,500 guests over a three-day period. This is a great way to advertise a business, send out a Mother's Day or birthday wishes as well as baptism or in memory of messages. Even just well wishes from your family to show support for the Greek Festival would be a great way to support our community! There is limited space so first come, first served basis! OPA!
